

*I Peter 2: 9 & 10 But you are a chosen generation, a royal priesthood, a holy nation, His own special people, that you may proclaim the praises of Him who called you out of darkness into His marvelous light; who once were not a people but are now the people of God, who had not obtained mercy but now have obtained mercy.*

Daughters of the King, hear the trumpet call....

I heard the LORD saying. We are a company of Special Forces.

The enemy sees us as collateral damage but our King sees us as a Royal Priesthood and is restoring what the cankerworm has eaten. Hallelujah!

He has set a battle plan for us to be in stealth mode [under the radar]. We do not have the appearance of an elite unit/company BUT, we know who we are in Him and follow His personal orders from Heaven, deposited within us by His Holy Spirit.

He has given us unique giftings that fit us together perfectly to carry out the purpose that He has set before us. Each one totally relying on the other to move in their calling and ranking in this company of Special Forces.

We gather together not to meet our own needs, but the needs of others. You are a confirmation as well an encourager in another's destiny.

Prayer is our battering ram and Joy is our strength. We walk, move progressively in every circumstance and atmosphere with total assurance that the Fathers love will conquer our enemies and the name of JESUS will be high and lifted up.

Daughters of the King, this is an hour of might, do not hold back. Victory is ours!
